

2-6 april 2013, Linköping

Conference on

# Inverse Problems and Applications

**April 2-6, 2013 Linköping University, Sweden**  
organized in collaboration with Institut Mittag-Leffler

**Main topics:** Inverse Problems: Theory, Algorithms and Applications, Identification in Partial Differential Equations, Inverse Scattering, Computational Methods, Regularization Techniques, Inverse problems with small parameters, Imaging Techniques.

## Invited speakers

<i>Simon Arridge</i>	University College London, UK
<i>Guillaume Bal</i>	Columbia University, USA
<i>Viktor Isakov</i>	Wichita State University, USA
<i>Matti Lassas</i>	University of Helsinki, Finland
<i>Daniel Lesnic</i>	University of Leeds, UK
<i>Lennart Ljung</i>	Linköping University, Sweden
<i>Zuhair Nashed</i>	University of Central Florida, USA
<i>Mikko Salo</i>	University of Jyväskylä, Finland
<i>Otmar Scherzer</i>	University of Vienna, Austria
<i>Gunter Uhlmann</i>	University of Washington, USA

## Organizing committee

<i>George Baravdish</i>	Linköping University, Sweden
<i>Vladimir Kozlov</i>	Linköping University, Sweden
<i>Luba Kulesh</i>	Linköping University, Sweden
<i>Yaroslav Kurylev</i>	University Colloge London, UK
<i>Lassi Päivärinta</i>	University of Helsinki, Finland
